AMENDMENT AFTER FINAL REJECTION

Commissioner for Patents  
Washington DC 20231

In response to the Office Action mailed January 2, 2001, please amend the  
above-identified application as follows:

IN THE CLAIMS:

Cancel Claim 12 and amend Claims 1 and 10 as follows:

1. (Twice Amended) A cooling assembly comprising:

a heat sinking member having a plurality of recesses defined therein, said heat sinking  
member receptive to liquid coolant flow;

a power module disposed on said heat sinking member, said power module having a

5 casing with plurality of indentations therein, said indentations being positioned relative to said  
recesses to locate said power module on said heat sinking member, and
